#### FUEL ECONOMY INFORMATION††

CITY MPG	HWY MPG
<b>15</b>	<b>19</b>

## STANDARD FEATURES

### Performance Features

- 4.7-liter V8, four cam, four valves per cylinder, with continuously Variable Valve Timing with intelligence (VVT-i)
- 263 hp @ 5,400 rpm, 323 lb-ft torque @ 3,400 rpm [1]
- Five-speed automatic Electronically Controlled Transmission (ECT)
- Independent, double-wishbone front suspension with coil springs, gas-pressurized shock absorbers and stabilizer bar
- Four-link rear suspension with rigid axle, air-spring-type shock absorbers and stabilizer bar
- Adaptive Variable Suspension (AVS) with Rear Adjustable Height Control (RAHC) and automatic load leveling
- Full-time four-wheel drive with TORSEN® Limited-Slip Center Differential (LCSD) [2] (with manual-locking feature)
- Engine-speed-sensing, power-assisted rack-and-pinion steering
- Four-wheel ventilated power-assisted disc brakes
- 17-in alloy wheels with 265/65SR17 mud-and snow-rated tires
- Estimated fuel consumption: 15/19 mpg city/highway [3]

### Luxury and Convenience Features

- Golden bird's-eye maple interior trim
- Leather-trimmed interior
- Wood- and leather-trimmed steering wheel and shift knob
- Steering-wheel-mounted audio controls
- Power tilt-and-telescopic steering column with automatic tilt-away
- Lexus 11-speaker Premium Sound System with Automatic Sound Levelizer (ASL) and in-dash, six-disc CD auto-changer
- Auxiliary iPod®/MP3/Windows Media® Audio (WMA) port
- In-glass antenna with FM-diversity system
- 10-way driver's and 6- six-way front passenger's (including lumbar) power seats
- Heated front seats with variable heat settings
- Height-adjustable headrests for all seats
- Lexus Memory System for power driver's seat (except lumbar), outside mirrors and steering wheel

- Reclining/folding split middle-row seat
- Dual-zone automatic climate control with interior air filter and automatic recirculation mode
- Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
- Power windows with one-touch auto open/close feature
- Remote-linked window and moonroof opening
- Retained accessory power for windows and moonroof
- Electrochromic (auto-dimming) inside rearview mirror with compass
- Cruise control
- Power door locks with anti-lockout feature and driver's two-turn unlock feature
- Rear privacy glass
- Electroluminescent instrumentation
- Altimeter and barometer
- HomeLink® universal transceiver to operate compatible garage, gate, home lighting and home security systems
- Lexus Personalized Settings (LPS) to personalize electronic functions [4]
- Adaptive Variable Suspension (AVS)
- Rear Adjustable Height Control (RAHC)
- Body-colored roof rack with CrossBars [5]
- Automatic on/off projector-beam headlamps with 30-second delay
- Multifunction, in-key remote entry system with rolling-code technology
- Trip computer
- Outside temperature gauge
- Tonneau cover (only available on vehicles without third-row seat)
- Storage pockets with cargo net integrated into rear door
- Carpeted floor mats

#### **Safety, and Security and Off-Road Performance Features**

- Driver's and front passenger's advanced airbag system (SRS) [6]
- Front seat-mounted side airbags (SRS) [6]

**The Rear Seat Audio System (RSAS) is available only with the Rear Seat Entertainment System (RSES). This updated information is not reflected in the Lexus GX print brochure.**

Lexus tries to make sure that availability information is accurate and up-to-date. However, exact configuration details cannot be guaranteed at all times, and vehicle availability may be subject to change prior to sale.

\* MSRP does not include delivery, processing and handling fee of \$715. Excludes taxes, title, license and optional equipment. Dealer price may vary.

\*\* MSRP includes delivery, processing and handling fee. Excludes taxes, title, license and optional equipment. Dealer price may vary. Does not include accessory options installed by dealer.

† "Delivery, processing and handling fee" is based on the value of the processing, handling and delivery services Lexus provides, as well as Lexus' overall pricing structure. Lexus may make a profit on the delivery, processing and handling fee.

[1] Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease.

[2] TORSEN® is a registered trademark of Zexel Torsen, Inc.

††.[3] 2006 EPA-estimated 15 city/19 highway mpg. Actual mileage may vary. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease.

[4] The Lexus Personalized Settings (LPS) Program is a one-time, complimentary offer for new 2005 model year vehicles and newer purchased or leased from 10/1/04 and beyond, up to 12 months from the date the vehicle is sold to the first retail purchaser or the date it is first used as a demonstrator, lease or company car, whichever occurs first. Please see your Lexus dealer for more information.

[5] Roof rack system is not recommended for luggage.

[6] All the airbag ("AB") systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing childseat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings.

[7] Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

[8] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[9] The Lexus Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details.

[10] DAC is designed to help the driver maintain vehicle control and speed on steep downhill descents. HAC is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for

safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

[11] Roof rack capacity is 130 lbs. Please see *Owner's Manual* for details.

[12] Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any weight ratings and follow all instructions in your *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and available equipment.

[13] Headphones are for passenger use only. Do not use while operating vehicle.

[14] Satellite Radio requires XM® compatibility, receiver and monthly service fee. See your Lexus dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at [www.xmradio.com](http://www.xmradio.com). Available only in the 48 contiguous United States.

Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of posting, are subject to change without notice, are for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.
