

HAYWARD REGIONAL SHORELINE

The Hayward Marsh expansion project created fresh and brackish water marsh basins that include wildlife islands for waterbirds and a pickleweed marsh for the endangered salt marsh harvest mouse. The marsh system utilizes secondary treated wastewater and storm runoff.

Mileage chart

From Grant Ave. parking area to:	
Bridge at San Lorenzo Creek	.37
Bridge at Bockman Channel	.74
Bridge at Sulphur Creek	1.43
Hayward's Landing	2.24

West Winton Ave. parking area to:	
Hayward's Landing	.57
Cogswell Marsh	.37
Johnson's Landing	1.44
Hayward Shoreline Interp. Center	2.59
Grant Ave. parking area	2.74

ACTIVITIES

Activities at Hayward Regional Shoreline include hiking, bicycling, jogging, birdwatching, picnicking and fishing. Horseback riding is not allowed.

Fishing is allowed from the levees, except in the marsh areas. A California State Fishing License is required for those age 16 and over.

Picnicking is permitted, but there are no picnic tables at the park. Benches are located along the trail.

Dogs are not allowed south of Winton Avenue to protect nesting and feeding wildlife.

Please remember during your hike or bicycle ride that many shoreline areas provide nesting habitat and feeding grounds for wildlife. In order to minimize human intrusion, please remain on the trail and observe specially signed restricted areas.
